**Re: WC Docket No. 03-90 - Application by Qwest Communications  
International Inc. for Authority to Provide In-Region InterLATA  
Services in the State of Minnesota**

Dear Ms. Dortch:

On Wednesday, June 18, 2003, Richard C. Notebaert, Chairman and CEO of Qwest Communications International Inc. ("Qwest"), and Gary Lytle, Senior Vice President, Federal Relations of Qwest, met in three separate meetings with Commissioner Jonathan S. Adelstein and Lisa Zaina, Senior Legal Advisor to Commissioner Adelstein; Commissioner Michael J. Copps and Jessica Rosenworcel, Legal Advisor to Commissioner Copps; and Commissioner Kevin J. Martin and Daniel Gonzalez, Senior Legal Advisor to Commissioner Martin. At these meetings, Messrs. Notebaert and Lytle discussed and responded to questions regarding the above-referenced application as reflected in Qwest's previous filings in this docket, with particular reference to matters related to Qwest's filing of interconnection agreements with CLECs under Section 252 of the Act and the public interest benefits of increased long distance competition in Minnesota.

The 20-page limit does not apply to this filing. Please contact the undersigned if you have any questions concerning this submission.

Respectfully submitted,

/s/

Melissa Newman
